

Village Preschool of Saratoga

20390 Park Place, Saratoga, Ca 95070

The Children look forward to the "music man" coming to sing. They love Peter's music. We use the CD daily. It gets the children up and moving. I'm looking forward to using the activities from his new book in my class. It is a great way to link music with cognitive skills. Everyone at Village really enjoys Peter and his music.
